GVT/PGVT

Introducing our exquisite collection of glossy finish tiles, designed to transform any space into a stunning masterpiece. With their captivating shine and luxurious appeal, these tiles offer a perfect blend of functionality and aesthetics, adding a touch of sophistication to your interiors.

GLOSSY SERIES

600x600mm

GVT (Glazed Vitrified Tiles) and PGVT (Polished Glazed Vitrified Tiles) are popular choices when it comes to glossy tiles for flooring and wall applications. These tiles offer a combination of aesthetic appeal, durability, and easy maintenance, making them a preferred option for both residential and commercial spaces.

GVT tiles are made by glazing vitrified tiles, which involves applying a layer of liquid glass on the surface of the tile and then firing it at high temperatures. This process results in a glossy and smooth finish that enhances the tile's visual appeal. GVT tiles come in a wide range of designs, patterns, and colors, allowing for versatile usage and customization options.
